

Laguna Audubon Basin Retrofit

Project Summary

OC Public Works will make repairs to the southwest facing embankment of the Laguna Audubon Basin. A recent geological study revealed minor erosion within the structure's piping. In an effort to remedy the deficiency and reinforce the basin, and maintain current industry safety standards, OC Public Works will install sheet piles at the vulnerable embankment.

WHAT

All construction activity will take place within the Laguna Audubon Basin, however, area motorists should expect slow moving construction traffic. Residents and businesses located within close proximity to the project area may experience typical construction noise during working hours.

WHEN

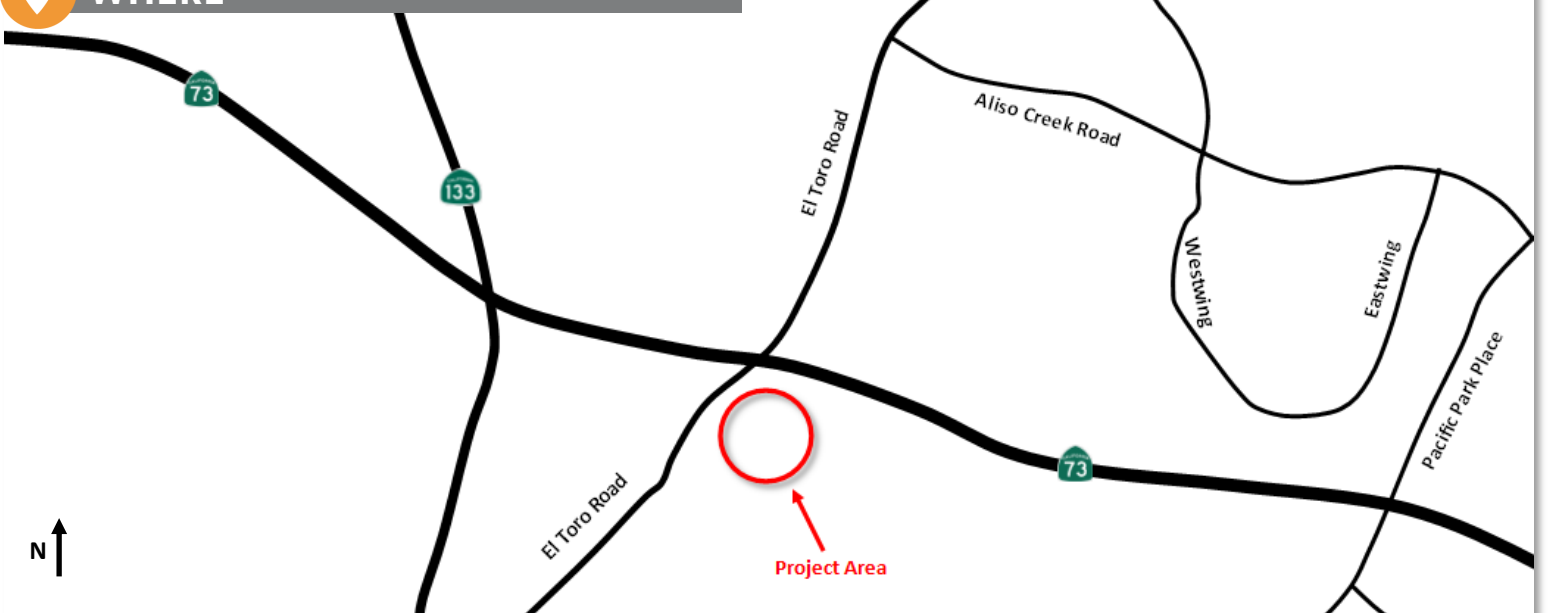

Anticipated Construction Duration

March 18, 2019 — May 10, 2019

Working Hours | Weekdays | 7 am — 5 pm

The construction schedule is tentative and subject to change due to weather and other factors.
