

Segunda Deshecha Channel Rehabilitation

Project Summary

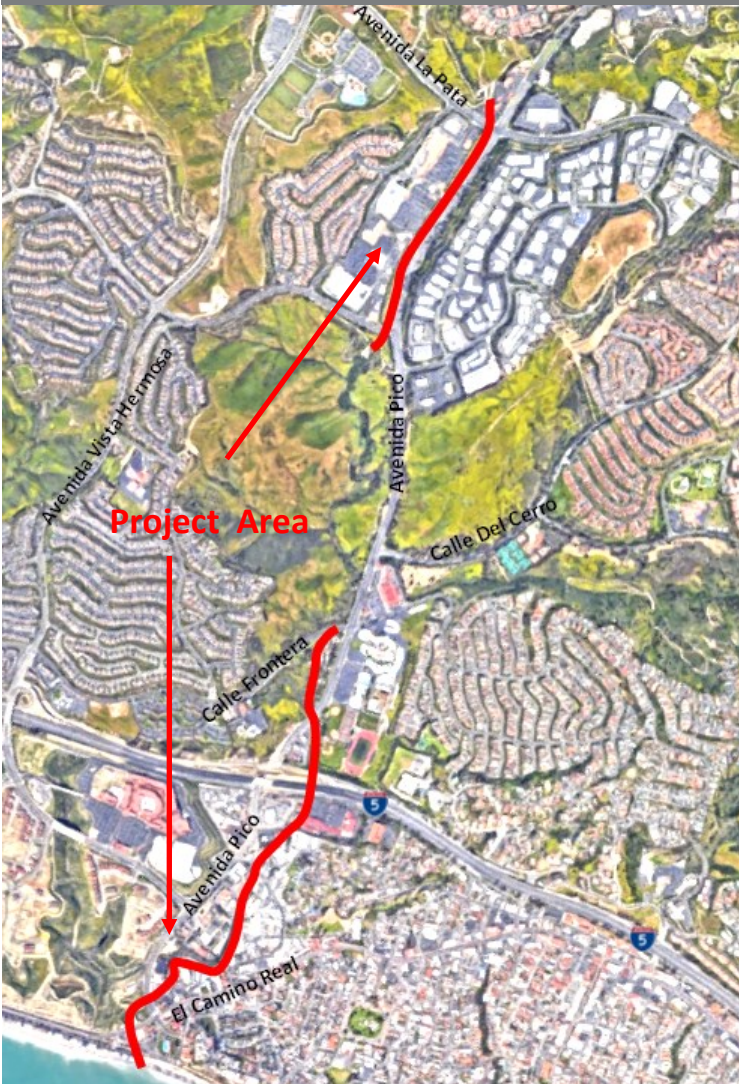

OC Public Works will complete routine rehabilitation work within the Segunda Deshecha flood control channel in the City of San Clemente. **Residents and business located within close proximity to the construction area will experience a temporary increase in construction-related traffic, dust and noise during working hours.**

WHAT

Construction activity will consist of repairing concrete, removing excess sediment, backfilling wash out and re-establishing the existing "rip-rap." OC Public Works' contractors will also remove and replace sections of the surface pavement and chain link fencing.

WHERE

WHEN

Anticipated Construction Duration

April 29, 2019 — July 2019

Working Hours | Weekdays | 7 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
