

Calle De Los Molinos Bridge Repairs

Project Summary

OC Public Works will complete routine repairs to the Calle De Los Molinos Bridge in the City of San Clemente. All construction activity will take place within the flood control channel. Businesses located within close proximity to the project area may experience an increase in noise due to the construction activity.

WHAT

OC Public Works will patch the existing concrete within the box culvert of the Calle De Los Molinos Bridge. The box culvert is located beneath the roadway. Crew and contractors will access the box culvert through the flood control channel.

WHEN

Anticipated Construction Duration

July 15, 2019 — August 2, 2019

Working Hours | Weekdays | 7 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
