In celebration of our rich maritime heritage, we welcome you to the 35th Annual Ocean Institute Tall Ships & Ocean Festival presented by Toshiba.

After 35 successful years of bringing maritime history to life with tall ships, cannon battles, concerts, food, waterfront access, and entertainment, we are excited to provide the community with a weekend packed full of educational fun and entertainment.

Because Dana Point is already known as the town for music, we are excited to add more emphasis on music along with the other festivities! A special thanks to the headlining band for Saturday afternoon... the local music legends, Tijuana Dogs.

We invite you to visit the new Maritime History Center located in the Chilcote Family Custom House directly across from the brig Pilgrim. You don’t want to miss it!

On behalf of the Board of Directors, I am grateful to OC Supervisor Lisa Bartlett, sponsors and partners for supporting the Ocean Institute and our mission: using the ocean as our classroom, we inspire children to learn. Every dollar contributed by your ticket purchase goes to supporting Ocean Institute educational programs. I look forward to seeing you at this spectacular event.

Best Regards,
Dan Pingaro, President & CEO

BECOME THE NEXT CHAMPION OF OCEAN EDUCATION

Ocean Institute delivers hands-on education programs to over 100,000 students, teachers and families each year. These real-world, STEM programs are centered on marine life, conservation, sustainability, innovation, and research technologies. Many students we support are from low-income communities and experience the ocean for the first time through our rigorous and engaging programs. Thank you for your support of Ocean Institute and our community.

CHAMPION OCEAN EDUCATION

Here are a few ways to Champion Ocean Education:

- Support Girls In Ocean Science mentoring programs with leading female scientists - $1,000 and up
- Sponsor Adopt-A-Class for low income schools (Title I) to visit Ocean Institute - $2,500 per class
- Join our premier donor society Sea of Stars - $10,000 per year for five years
- Contribute to our 2019 Annual Appeal - $100,000 goal
- Leave a legacy with an estate gift of any size to our endowment and join the LegaSea Society

Experience the wonder of Ocean Institute all year long and build a connection to the ocean that will last a lifetime. You can make a difference by becoming a supporting member while bringing awareness to education, conservation and marine life protection.
