OCSD to hold DUI check point in Mission Viejo

LAKE FOREST & MISSION VIEJO, Ca. (Aug. 14, 2019) – The Orange County Sheriff's Department will be conducting a DUI/Driver's License Checkpoint on Friday, Aug. 16, at an undisclosed location on the border of the cities of Lake Forest and Mission Viejo between the hours of 7 p.m. and 3 a.m.

DUI Checkpoints are placed in locations based on collision statistics and frequency of DUI arrests. Deputies will be looking for signs of alcohol and/or drug impairment, with deputies checking drivers for proper licensing.

The Sheriff's Department reminds drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

In 2017, 1,120 people were killed in alcohol-involved crashes on California roads.

The Sheriff's Department offers these reminders to ensure you have a safe night of fun that doesn't involve a DUI:

- Always use a designated sober driver – a friend who is not drinking, ride-share, cab or public transportation – to get home.
- See someone who is clearly impaired try and drive? Take the keys and help them make other arrangements to find a sober way home.
- Report drunk drivers – Call 911.
- Hosting a party? Offer nonalcoholic drinks. Monitor who are drinking and how they are getting home.

Getting home safely is cheap, but getting a DUI is not. Drivers caught driving impaired and charged with DUI can expect the impact of a DUI arrest to be upwards of \$13,500. This includes fines, fees, DUI classes, license suspension and other expenses not to mention possible jail time.

Funding for this checkpoint is provided to the Sheriff's Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
