

Island Way Bridge Maintenance Dana Point Harbor

Project Summary

OC Public Works will complete routine maintenance to the Island Way Bridge, located in Dana Point Harbor. Island Way Bridge will be open to through traffic at all times during construction; however, lane closures will be required. Portions of the sidewalk will be subject to closure during regular working hours, but one sidewalk will remain open at all times to allow continuous pedestrian access during construction. Traffic control measures, including flag personnel and construction signage will be present. **Area residents and Dana Point Harbor visitors may experience delays.**

WHAT

Routine maintenance to the Island Way Bridge includes repairing the sidewalk, barriers, existing expansion joint and concrete spalling.
