

Helping Restaurants Stay Safe

The **SafeDineOC Restaurant Program** is sponsored by the County of Orange to help restaurant owners with a **\$1,000 grant** for taking steps to **prevent the spread of COVID-19** in their physical location. Providing face masks to patrons and workers, as well as physically distancing tables and chairs, are just two guidelines to fight the disease.

For a complete list of other steps you can take, visit www.SafeDineOC.com/Steps.

This grant is open to all restaurant owners in Orange County.

To apply for your \$1,000 grant, complete the simple online form at www.SafeDineOC.com/Apply.

All restaurants that apply will be added to the **SafeDineOC Restaurant List**, an online resource for consumers to see which ones offer a safe dining experience.

Sign Up TODAY to Receive Your \$1,000 Grant!
