

Pet of the Week

Hubba!

Meet Hubba, the jolly 4-year-old Anatolian Shepherd mix. How did a handsome hunk like Hubba end up at OC Animal Care? This past May, a Good Samaritan discovered Hubba hiding in the bushes near a freeway entrance in the city of Anaheim. The caller reported that he looked tired, scared and had been running up and down the street for some time. Our officers swiftly responded to the scene and brought Hubba back to the shelter for care. After no owner returned to claim him, Hubba was placed up for adoption.

Hubba quickly became a staff and volunteer favorite! We discovered that he enjoys walks, treats, and good belly scratches from his friends. Hubba has even had a weight loss journey while in our care, going from a whopping 90lbs. to a slim-and-slender 71lbs.! Hubba would love nothing more than to continue his positive progress with a new forever family. If Hubba sounds like the pup for you, please call 714-935-6848 to schedule an adoption appointment to meet him!
