text, email or TTD/TTY

CAN I GET ALERTS FOR MULTIPLE PLACES?

Register multiple locations with **AlertOC** to receive alerts for your home, child's school, workplace and more. If an emergency situation occurs in any of these locations, you will receive a notification, even if you aren't currently there.

HOW DO I SIGN UP?

Signing up for **AlertOC** takes just a few minutes online at www.AlertOC.org. Your information is completely private. You will be asked to create a username and password so you can log in and manage your information and preferences.

Get notified by
text, email or TTD/TTY

Information given will only be used for emergency notifications (unless otherwise requested) and will not be shared with others. If you need assistance registering, please call 714-628-7054.
