Ladera Ranch: Crown Valley Parkway, O'Neill Drive Fiber Optic Equipment for Monitoring Traffic Conditions

- **TEMPORARY LANE CLOSURES NEEDED** •

OC Public Works contractors will be **installing new fiber optic cable and equipment** along Crown Valley Parkway and a section of O'Neill Drive in Ladera Ranch. Temporary lane closures will be needed to accommodate this work. This project will enhance capabilities of OC Public Works' Traffic Management Center, which helps us **effectively monitor traffic conditions at key road and intersection locations**.

WHAT

Project activities will include replacing and/or installing fiber optic cables and related equipment, including:

- Video detection
- Signal support for emergency vehicles
- Closed-circuit TV camera (for traffic condition monitoring)
- Cable conduits and boxes and switches

Periods of lane closures will be needed. Please observe all project safety barriers and signs.
