

Relocating the spent nuclear fuel at SONGS offsite is a priority.

At the next quarterly Community Engagement Panel meeting, hear from Dr. Kim Petry, Acting Deputy Assistant Secretary for Spent Fuel & Waste Disposition at the Department of Energy, on a [new effort](#) to move the issue forward.

The Action for Spent Fuel Solutions Now coalition will also offer its perspective on moving the spent fuel at SONGS to a national facility.

We hope you'll join us online for this special event.
